

2007 Structural Moving Photo of the Year

Jerry Matyiko of **Expert House Movers of Maryland** entered this photo by **Michael O'Neill**. Mr. O'Neill is a Partner of **Evergreen Building Systems LLC** of Old Lyme, CT. The subject is an unusual sight of a house approaching its final destination, a small island dwarfed by the size of its only occupant. Mr. Matyiko received the IASM Judges Award in the 2007 Awards Competition for the movement of this structure. The Sumac Island House article, pages 49–53 was proffered by Mr. O'Neill. The winner of the Photo of the Year Award receives a \$250 cash prize. Members are encouraged to enter the 2008 competition.
