

DIRECTORS' PROFILES

STRUCTURALMOVER will feature two Directors of the Association in each issue. The purpose is to enable members to become more acquainted with the individuals elected by the membership to provide governance and management for the association and its programs.

Thomas F. "Tommy" Doyle, III, Co-Owner Flint and Doyle, Inc.

(Founded in 1948 by Charles Flint, Sr. and Thomas Doyle, Jr.)

**3801 Martin Luther King Boulevard
Ft. Myers, FL 33916
(T) 800-334-2192
(F) 239-334-0667
E-Mail: tom@flintanddoyle.co**

FAMILY:

Married Donna Dionesotes of Bensonville, IL. Three children; Ryan, recent graduate of Gulf Coast University, Ft. Myers, FL with a BS in Business, Taylor, who enters high school in September and Lauren who will be in her final year of middle school in September.

EDUCATION:

Graduate of Bishop Verot High School, Ft. Myers, FL and the University of West Florida, Pensacola, FL with a major in Accounting.

IASM AFFILIATION:

Has been a member since 1991. Has served as a Committee member, Secretary, Treasurer, Vice President, President and Director. Is currently a Director and a member of the Finance and Scholarship Committees. He is Co-Chair of Ford 150 Fund Raising effort.

AWARDS RECEIVED:

Most Unusual Move, 1998 & 2000, Widest Structure Moved, 2000, Structure Moved with the Most Square Footage on One Level, 2002 and Heaviest Structure Moved on Rubber Tired Dollies, 2003.

REASON FOR BECOMING A MEMBER:

Tommy planned to attend the IASM Annual Conference scheduled for Atlanta, GA in 1992. He wanted to attend as a member so his company joined the Association in 1991. His company has been a member ever since.

BELIEVES MAJOR BENEFITS FOR BEING A MEMBER OF IASM TO BE:

- Interaction between house movers around the country.
- Gaining information about products available.
- Educational opportunities at the Annual Conference, especially the new business opportunities.

BELIEVES THE TWO MAJOR ISSUES FACING THE INDUSTRY TODAY ARE:

- Government agencies restrictions of most every aspect of a project.
- Finding individuals who want to become an employee in this type business.

BELIEVES THE BENEFITS OF BEING A MEMBER TO BE:

- The enormous information available.
- The sense of professionalism.
- Fellowship among other members.
- The value it brings to all structural movers.

Dan Dillabaugh, President Dillabaugh, Inc

(Founded in 1875 by Adam Dillabaugh, great-great grandfather)

**2005 East US 231
Crown Point, IN 46307
(T) 219-663-3761
(F) 219-226-0929
E-mail: dan@dillabaugh.com
Website: www.dillabaugh.com**

FAMILY:

Married Peggy Haggarty of Hebron, IN in 1976. They have six children: Daniel, Tom, Rachel, Joe, Julie, and Eric; and four grandchildren, two each by Daniel and Tom. Daniel, Tom and Eric are all employees of the company. Rachael is a freelance photographer and is spending the summer in Yellowstone National Park. Julie is a realtor. Joe is in the U.S. Army and will be shipping out to Iraq in August.

EDUCATION:

Graduate of Hebron High School, Hebron, IN.

IASM AFFILIATION:

Has been a member since 1983, the year the association was founded and known as NASM. Was elected a Director in 2004 for the period 2004-2005. Serves on the Legal & Utilities and Vendors Committees and on a Working Task Group for Evaluating Possible Development of Industry Guidelines.

AWARDS RECEIVED:

Structure Moved with the Most Square Footage on One Level, 2005 and Heaviest Building Moved Not on Rubber Tired Dollies, 2003.

REASON FOR BECOMING A MEMBER:

Dan's father, who died in 2002, believed very strongly that companies in the same industry should band together to address problems of the industry.

BELIEVES MAJOR BENEFITS FOR BEING A MEMBER OF IASM TO BE:

- The association is a great place to meet people up against the same challenges as you.
- It provides opportunities to share experiences, job techniques, etc.
- It allows me to see the total size of the industry.
- The educational opportunities are great as is the *Structural Mover Magazine*.

BELIEVES THE THREE MAJOR ISSUES FACING THE INDUSTRY TODAY ARE:

- Insurance costs. This problem is not isolated to the structural moving industry, all business face this problem
- Difficulty with rights-of-way, overhead utility costs, protection of trees and limbs, construction of bridges, permit denials on heavily traveled roads, etc.
- The general public's negative attitude toward the structural moving industry

BELIEVES THE BENEFITS OF BEING A MEMBER TO BE:

If you wish to be a better mover, meet other movers and see what "the other guys are doing", see new products and technology then IASM is the place for you.
