## Historic Clemens House

Jeffrey A. Kennedy

The 175 years old Clemens House is listed on the National Register of Historic Places. The structure is 60' L x 48' W x 52' H and weighs 562 tons. With the support and cooperation of City of Huntsville and Huntsville Utilities officials Don Kennedy and Sons House Moving Company, Inc. moved the two-story solid brick building to a new location in May 2004.

The structure has two chimneys, two brick interior walls on each side of the foyer running the length

of the building. Another brick interior wall running the width of the building and 13" thick brick exterior walls. Kennedy maintains ownership of the building and is adding a two-story rear addition. Total square footage upon completion will be 9,500 square feet. United States Congressman Robert E. "Bud" Cramer, Jr. (D-5th District) has leased the top floor for his Congressional District "Home" office once construction is complete.
