### NCHMA Officials Meet With NC State Senator Jenkins and Staff

On Tuesday, January 16, NCHMA President Wayne Overton, (left), and Michael Blake, Chairman, Legal & Utilities Committee, (right), met with North Carolina State Senator Clark Jenkins, (D)(second from left) Chairman, Appropriations on Department of Transportation and Chris Dillon, Director of Special Projects, President Pro Tempore's Office, NC Senate (second from right) at the NC Legislative Building in Raleigh, NC to explore ways to improve legislation relative to the structural moving industry in North Carolina. Of specific concern were ways to prevent unqualified

individuals and or companies from endangering the public and damaging highways and utility's facilities. Additional concerns were clarification of removal of objects on public rights-of-way when necessary in order to provide uniformity, and verification of licensure.

A Bill - S236 - containing amendments was introduced on 21 February 2007 and referred to the Committee On Commerce, Small Business and Entrepreneurship.

Senator Marc Basnight (D) President Pro Tempore, North Carolina General Assembly has expressed offers of assistance to NCHMA to its efforts to maintain safe operations on the state's highways by qualified companies that are properly licensed.

### Register now to attend annual conference in June

The 2007 NCHMA annual conference will be June 8-9 at the Asheboro Hampton Inn in Asheboro, NC. Use the registration form provided in this column to register now for the meeting. Don't leave those employees behind. Help them grow by networking with other members from across the state. Wives, especially, will enjoy the area. The NC Zoo is just outside town. It is a perfect place to bring the children. The Richard Petty Museum is "just down the road" in nearby Randleman, NC as well as the Seagrove Area Potteries.
