

President's Message

Dear Fellow Movers,

I hope this letter finds you all well. I would like to take a moment to ask everyone to say a special prayer for our fellow movers who recently faced Hurricane Charley. If you get a chance to offer a word of encouragement, or are able to lend a hand in helping their lives return to Norman, please do not hesitate to do so.

As fall is approaching, I am looking forward to the Board meeting that is going to be held in Columbia, South Carolina. I anticipate a very busy and exciting meeting. If you have been keeping up with the past newsletters, then you are aware that the Board of Directors and committees have been very productive and are working hard for the association. I would have to say that not a week goes by without my being contracted by a Board or committee member regarding an issue that affects our industry and businesses. As in any successful business, communication is a key element. We have found that frequent conference calls between the Board of Directors, Executive Committee and additional committees have allowed us to tackle and discuss issues as they arise.

I would like to extend my congratulations to H.D. and Charlene Snow who recently celebrated their 50th wedding anniversary. Congratulations also go out to Pete and Edith Friesen for their recent celebration of sixty years of marriage. While Charlene and Edith may not have thrown many cribbing in their time, I'm sure the thought of just being there through many years of hard work is greatly appreciated by H.D. and Pete.

In closing, I would like to thank my IASM family for allowing me to serve as your President and hope that I am meeting your expectations. As always, the entire Board of Directors is available for any feedback you may have at any time. Your input is not only welcome by the Board, but also greatly appreciated and needed.

Respectfully,

Jeffrey A. Kennedy
